Attorney Docket No. **WDIC117389**

**SUPPLEMENTAL COMBINED DECLARATION AND POWER OF ATTORNEY
IN A REISSUE PATENT APPLICATION**

As a below-named inventor, I hereby declare that:

my residence, mailing address, and citizenship are as stated below next to my name.

I believe that I am an original, first, and joint inventor of the subject matter that is claimed in U.S. Patent No. 6,081,837, granted June 27, 2000, and for which a reissue patent is sought on the invention entitled: METHOD OF ACCESSING INFORMATION ON A HOST COMPUTER FROM A CLIENT COMPUTER, the specification of which was filed on December 27, 2001 as reissue patent Application No. 10/032,988. A Preliminary Amendment was also filed on December 27, 2001 with reissue patent application number 10/032,988.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment submitted at the time of or after filing of the application, including any amendment submitted herewith; and the subject matter of the application as amended was part of my invention and was invented before the filing date of the application.

I believe the original patent to be wholly or partially inoperable, non-operative, or invalid, for the reason that some of the dependent claims are improperly numbered. Specifically, the error in the patent begins with the dependent Claims 22-30, which now read as dependent claims from Claim 1. These claims have been amended so that they depend from Claim 21, as the text of each amended claim indicates. In addition, Claims 32-36 have been amended to depend from Claim 31, and Claims 39 and 40 have been amended to depend from Claim 38.

The filing of this reissue application is based on the errors described above. Thus, this reissue application broadens the scope of the claims. More specifically, the amended claims are directed to a storage medium of Claims 21, 31 and 38. As a result of the error of the claim numbers, the claims issued in the above-referenced patent claimed less than the applicant had the right to claim.

All errors that are being corrected in the present reissue application up to the time of filing this declaration arose without any deceptive intention on the part of the applicants.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. 1.56.

I hereby appoint the following attorneys and/or agents to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith: Bruce E. O'Connor, Reg. No. 24,849; Lee E. Johnson, Reg. No. 22,946; Gary S. Kindness, Reg. No. 22,178; James W. Anable, Reg. No. 26,827; James R. Uhler, Reg. No. 25,096; Jerald E. Nagae, Reg.
